Future, Together.

The City of Charlotte is proposing three new sidewalks in your area:

- Peachtree Road, between Oakdale Road and Crandon Drive,
- Oak Drive, between Thompson Avenue and just east of Shady Circle, and
- Beam Lake Drive, from Peachtree Road to the existing sidewalk connection.

Please join us for a “drop-in” public meeting Tuesday, March 7 from 6-8 p.m. at Friendship Missionary Baptist Church (3400 Beatties Ford Road) to discuss these projects. The purpose of this meeting is to confirm the need for these sidewalks and discuss their location. Your participation is valued and important.

The Peactree Hills Sidewalk Project was identified during the Sunset Road/Beatties Ford Road Comprehensive Neighborhood Improvement Project Public Engagement Process. For more information please contact the Engineering & Property Management Project Manager Beth Hassenfritz at 704-336-2289 or bhassenfritz@charlottenc.gov.

We can provide auxiliary aids and services under the Americans with Disabilities Act. Anyone requiring accommodations should contact Beth Hassenfritz as early as possible so that arrangements can be made.
