# Wastewater Pipe Improvements Drop-By Meeting October 15th

**WHAT:** Charlotte Water is planning to install more than 27,000 feet of new wastewater pipe along McDowell Creek (Neck Rd to Gilead Rd), Torrence Creek (Gilead Rd to Bradford Hill Ln), and Torrence Creek Tributary (Bradford Hill Ln to Rosewood Meadow Ln). Construction may start in 2020 and finish in 2022.

- Major roads like Beatties Ford Road, Bradford Hill Lane, and Gilead Road will be tunneled under.
- The project will enhance pipe performance, provide increased wastewater capacity for current and future customers and protect the water quality of McDowell Creek.
- CLTWater user fees (i.e. water bill) fund these improvement projects.

**WHEN:** You are invited to learn more at a drop-by meeting at New Beginnings Moravian Church (201 Seagle Street) on October 15th from 5:00 - 7:00 pm.

**WHERE:** CLTWater will acquire easements from property owners beside creek and other properties as needed.

**QUESTIONS:** Please visit the project website at [www.charlottewater.org](http://www.charlottewater.org) (click on "projects" then McDowell Creek) for updates on progress. If you have a question, please contact Irene 'Tasha' Okioga at 704-336-1063, [Irene.Okioga@charlottenc.gov](mailto:Irene.Okioga@charlottenc.gov) or Cam Coley at 704-336-1018, [ccoley@charlottenc.gov](mailto:ccoley@charlottenc.gov).
