**Planned Water Outage: Sandridge Road (547 – 651 block)  
- Monday, August 2<sup>nd</sup> 9:00 am – 4:00 pm**

HG & L Development, LLC, under Charlotte Water (CLTWater) supervision, will connect new water pipes at the intersection of Sandridge Road and Currituck Drive. This work requires a planned water outage.

Please prepare in advance by storing water for water use (drinking, flushing toilets) during the below time.

**WHEN:** Monday, August 2<sup>nd</sup> 9:00 am until 4:00 pm

If foul weather or some other unforeseen circumstances prevent completion of work, the scheduled makeup date is Tuesday, August 3<sup>rd</sup> with same hours.

If you experience cloudy, discolored water after the outage please:

1. Run cold water from a bath tub or outside spigot for five minutes.
2. When water runs clear, run cold water through any faucets where discolored water is present.
3. If water isn't clear after 10 minutes, call 311 or 704-336-7600 and select water service after the recorded message.
