

# SHADE VALLEY ROAD REALIGNMENT & ROUNDABOUT

Part of the Southeast Land Acquisition  
and Street Connections Program

## DECEMBER 2021 UPDATE

This project will connect the existing Shade Valley Road and Oakhurst Commons Drive intersection with the intersection at Monroe Road and Commodore Street. The intersections will be reconfigured and reconstructed into a roundabout. Construction has started for this project.

See back for details.

## DECEMBER 2021 UPDATE

Construction started Dec. 6, 2021. The contractor will make every effort to minimize disruption during construction. Motorists should expect a temporary lane closure on Monroe Road as they approach the construction work zone. All lanes of traffic should be open during peak rush hours. Please obey all regulatory and informational signage to ensure safety during construction.
