Construction is scheduled to begin in May of 2017. This project will install sidewalk along both sides of Sunset Road from Beatties Ford Road to Statesville Road.

See reverse for more details.
Construction is scheduled to begin in May 2017 on the Sunset Road sidewalk project. This project is part of the City’s Sidewalk and Pedestrian Safety Program, which enhances connectivity, offers transportation choices and improves pedestrian safety.

This project will install sidewalk along both sides of Sunset Road from Beatties Ford Road to Statesville Road where none already exists. Other enhancements include waiting pads and bench pads at bus stops and pedestrian refuge islands for additional crossing opportunities. City staff, along with the contractor, will make every effort to minimize any disruptions caused by construction.

If you have any questions, please contact Senior Design Engineer Allison Brickey, PE at abrickey@charlottenc.gov or 704-432-5529.
