

## Conklin Place and Chenago Drive Water Main Replacement Project

March 01, 2020

Dear Property Owner:

Charlotte Water (CLTWater), is surveying the area to gather information related to future drinking water improvements. You may notice pavement markings, wooden survey stakes, plastic flagging or other markings related to these activities.

In upcoming work, Charlotte Water's authorized contractor, TWT, may be working on or near your property on one or more occasions. Their activities should not inconvenience you. During this period, it may be necessary for personnel to enter upon your property to conduct surveys, geotechnical investigations or other work related to this project.

If we determine that this project will have any direct impact on your property, we will notify you further as the project progresses.

Thank you for your cooperation and patience as we move forward with this project. If you have any questions about this project, please contact me at 704-336-7461 or [Olivier.Veille@charlottenc.gov](mailto:Olivier.Veille@charlottenc.gov). You can also learn more at [charlottewater.org](http://charlottewater.org) (Projects, Construction, Conklin Place and Chenago Drive Water Main Replacement).

Sincerely,

*Olivier Veille*
