

THE PLAZA STREET CONVERSION

JUNE 2019 UPDATE

Construction will be starting soon for this project, and construction on a separate storm drainage project is already underway.

See details on reverse.

CLTFUTURE

CharlotteFuture.com/ThePlaza

Construction for this project will start later this summer. Prior to construction, residents will encounter storm drainage work along The Plaza for the nearby Lyon Court Storm Drainage Improvement Project. The project is separate from The Plaza Street Conversion; however, both project teams are working together to minimize disruption in the area.

For questions about The Plaza Street Conversion Project, please contact Keith Bryant, Senior Engineering Project Manager, at 980-214-7076 or kbryant@charlottenc.gov.

For questions about the Lyon Court Storm Drainage Improvement Project, please contact William Harris, Project Manager, at 704-333-1147 or wtharris@charlottenc.gov.
