# Water Enhancements Project Update

**Suttle Avenue**  
Drinking Water Pipe Replacement Project

# Water Pipe Replacement Project

Charlotte Water (CLTWater) and contractor HG&L Development, LLC have started extending water pipe under Suttle Avenue from West Morehead Street to Isom Street to enhance water service to the area. Another contractor will be working on water pipe on Wilkinson Boulevard (Suttle Avenue to West Morehead Street).

## Traffic Update

Starting Monday, September 13 and lasting at least through Wednesday, September 15, Suttle Avenue will be **closed to through traffic** between Isom Street and W. Morehead Street. during the hours of 6 a.m. and 6 p.m. Motorists will detour using Isom Street, Julian Price Place and W. Morehead.

W. Morehead at Suttle Avenue will **reduce to one lane** of traffic with flaggers to assist motorists during the hours of 9 a.m. to 4 p.m.

## Property Access (Driveway)

Construction activities will take place within the street right-of-way. However, driveway and sidewalk access may be restricted in some areas.

## Lane Closures and Street Parking

Street Parking may be restricted when construction is in the immediate area. Flaggers will help drivers navigate around any lane closures.

## Water Outages

In the unexpected event of a water service interruption, the issue will be treated as an emergency and repairs will be made to restore service as quickly as possible.
