TUCKASEEGEE BERRYHILL THRIFT ROAD ROUNDAABOUT PROJECT

JULY 2020 UPDATE

See back for details.

PLAN

CLTFUTURE

charlottenc.gov/projects

The Tuckaseegee Berryhill Thrift Road Roundabout Project has been delayed due to circumstances beyond the City of Charlotte's control. The delay is due to revenue decreases at the North Carolina Department of Transportation (NCDOT) caused by COVID-19. The project team is waiting for NCDOT approval to resume the bid phase.

Private utility relocations will continue so the site is ready when authorization to proceed is received.

We appreciate your patience and regret any inconvenience this delay may cause. The project team will update the community once we know more.

WE'RE IN THIS TOGETHER, CHARLOTTE
