

WEST TRADE/ROZZELLES FERRY CONNECTIVITY ENHANCEMENT PROJECT

PART OF THE WEST TRADE/ROZZELLES
FERRY COMPREHENSIVE NEIGHBORHOOD
IMPROVEMENT PROGRAM

JUNE 2017 UPDATE

This project is now in the design phase. During this phase, the consultant will provide design services and submit plans to the project team for review and comments. A series of plan review meetings will take place prior to plans being complete. Once the design is complete, real estate acquisition will begin. See reverse for details on the four projects involved in this enhancement. Please contact Lamar Davis, project manager, at 704-336-6006 or fldavis@charlottenc.gov with any questions or concerns.

State Street pedestrian improvements will include traffic calming, wide sidewalks, crosswalks and wayfinding signage.

Yellowstone Drive to Zebulon Street connectivity will create a new section of roadway, bridges and/or culverts and will include curb & gutter, sidewalks, planting strips, drainage improvements, wheelchair ramps, street resurfacing and street trees.

Rozzelles Ferry pedscape will provide new pedestrian refuge islands and wheelchair ramps from South Garner Avenue to the intersection of Rozzelles Ferry, Trade Street, Beatties Ford Road and 5th Street, allowing safe pedestrian travel along Rozzelles Ferry Road.

State Street and Stewart Creek pedestrian crossing improvement

will connect the current segment of the Stewart Creek Greenway, managed by Mecklenburg County Park and Recreation, to a new segment of the greenway across State Street. The project will include signage, pavement markings, clear sight lines and a high-visibility crosswalk.
