

Alanhurst/ Cherrycrest

Storm Drainage
Improvement Project

Construction continues

Project Status

February 2021

Charlotte-Mecklenburg Storm Water Services and Blythe Development Company continue with construction.

Construction updates

- Box culvert installation on Alanhurst Place is complete
- Sanitary sewer line installation on Cherrycrest Lane is complete
- Stormwater pipe outfall installation is in progress between Braxfield Drive and the creek and will continue along Braxfield Drive to Cherrycrest Lane
- Utility relocations are underway throughout the neighborhood

Temporary lane closures along Braxfield Drive and Cherrycrest Drive will remain in effect until crews work their way to Ashcrest Drive.
