Storm Drainage Improvement Project

Design phase continues

Project Status

August 2021

Charlotte-Mecklenburg Storm Water Services and engineering consultant STV Engineers Inc. continue with the design phase. Staff is developing detailed drawings for the proposed improvements. A public meeting will be held next year to present the design solution and begin the easement acquisition process.

Other updates

- **Country Club Drive:** Construction is underway to replace a culvert on Country Club Drive. See *photo of culvert installation on reverse side*.
- **Herrin Avenue:** Construction to repair a portion of the storm drainage system is anticipated to begin soon.
