

Beckwith Meadow

Storm Drainage
Improvement Project

PROJECT STATUS
MAY 2022
Design continues.

PROJECT STATUS | MAY 2022

Charlotte-Mecklenburg Storm Water Services and engineering consultant STV Engineers Inc. continue with the design phase. Staff has coordinated with private utility companies to identify potential conflicts and relocation needs. Staff is currently developing detailed drawings for the proposed improvements. A public meeting will be held later this year to present the design solution and begin the easement acquisition process.
