## Storm Drainage Improvement Project

Drainage system rehabilitation is selected

## Project Status

April 2020

Thank you to all property owners who provided feedback on their preference to rehabilitate or replace the storm drainage system in the Bonwood project area. After evaluating the responses, Charlotte-Mecklenburg Storm Water Services intends to replace the drainage system including some pipes, inlets and drainage structures within the rights-of-way. The system outside of the rights-of-way will be rehabilitated in place.

### Next steps

Work will be done on the following streets:

- Chadsford Place
- Bonwood Drive
- S. Canterbury Road
- Canterbury Hill Circle
