

# Bonwood

## Storm Drainage Improvement Project

feedback requested by  
**Friday, February 21**

## meeting highlights February 2020

Charlotte-Mecklenburg Storm Water Services held a public meeting on January 30 at Christ Church to present the recommended design alternative for the Bonwood Storm Drainage Improvement Project.

### **Meeting highlights**

- Brief introduction of the project team and project overview
- Presentation of two recommended design alternatives to improve the storm drainage system
- General and property-specific questions were addressed

### **Next steps**

Storm Water Services has *requested property owners* to provide their feedback to Danee McGee, Project Manager, by Friday, February 21, for the following:

1. Preference of Alternative 1 (System Replacement) or Alternative 2 (System Rehabilitation)
2. Willingness to donate an easement

The project team will evaluate all responses and communicate the projects path forward in March.

### **Resources**

Visit the project web page at [StormWater.CharMeck.org](http://StormWater.CharMeck.org) to view the presentation covered during the meeting.

### **Questions**

For questions or to provide feedback, please contact Danee McGee, Project Manager, at [DMcGee@CharlotteNC.gov](mailto:DMcGee@CharlotteNC.gov) or 704-336-4102.
