

Cedars East

Storm Drainage Improvement Project

Construction continues

Project Status

May 2020

Charlotte-Mecklenburg Storm Water Services and Blythe Development Company continue with construction.

Construction updates

- Sanitary sewer installation and preliminary utility relocation on Eaglecrest Road is complete.
- Beginning May 18, Eaglecrest Road between Pinemont and Aspendale Lanes will be closed for approximately three months to install a box culvert. Motorists should detour using Reddman Road, Aspendale Lane and Amity Place.
- The contractor will maintain access to the neighborhood, with signs assisting motorists.

Gavel & Dorn Engineering is on site daily providing construction inspection services. Please contact Chris Patterson for construction-related issues.
