

# Cedars East

## Storm Drainage Improvement Project

**Construction is complete**

## Project Status

November 2021

Construction for the Cedars East Storm Drainage Improvement Project is complete. Storm Water Services will continue to monitor the project during the next 12 months as part of the warranty period. The construction inspector will conduct 6- and 11-month inspections during the warranty period. If needed, the contractor will return to the site to make repairs at no additional cost.

Charlotte-Mecklenburg Storm Water Services appreciates your cooperation and patience during the construction phase of this project.
