

Chandworth

Storm Drainage Improvement Project

Project Status

July 2020

Charlotte-Mecklenburg Storm Water Services and engineering consultant D&A Wolverine PLLC have completed the design phase. All easements and permits needed for construction have been acquired.

The final plans will be circulated to qualified contractors in July for a competitive bidding process. Once City Council awards the contract, property owners will be notified of the construction schedule. Construction activities will begin with locating, flagging and marking utilities.
