

Chandworth

Storm Drainage Improvement Project

PROJECT STATUS
JUNE 2022
Construction continues.

PROJECT STATUS | JUNE 2022

Charlotte-Mecklenburg Storm Water Services and Zoladz Construction Co., Inc. continue with construction. Work is anticipated to be complete by early 2023.

Project updates

- Storm drainage installation between Chandworth Road and Ashton Drive is complete.
- Sanitary sewer installation continues along Chandworth Road.
- Concrete box culvert and water main installation is anticipated to begin this month along Chandworth Road. There will be periodic road closures to through traffic with local access maintained for residents. To ensure the safety of motorists, pedestrians and crew, please follow all signs.

An inspector will be on site daily and is your best contact to address construction-related questions.
