Storm Drainage Improvement Project

PROJECT STATUS

MARCH 2022

Construction beginning soon.

PROJECT STATUS | MARCH 2022

Charlotte-Mecklenburg Storm Water Services will begin construction soon. City Council awarded the construction contract to United of Carolinas, Inc. Construction is scheduled to start in March and is anticipated to take a little more than two years. During the next few weeks, these activities may be underway: locating, flagging, marking and relocating utilities.

Construction will start at Shaker Drive and continue upstream toward Sharon Woods Lane. There will be periodic road closures to through traffic with local access maintained for residents. To ensure the safety of motorists, pedestrians and crew, please follow all signs.
