## Storm Drainage Improvement Project

### Project Status

## Project Status

April 2021

Charlotte-Mecklenburg Storm Water Services and engineering consultant Hazen and Sawyer continue with the design phase.

Staff is developing detailed drawings for the proposed improvements, including replacement of the existing culverts at Cedarbrook Drive, Denbur Drive and East Lake Road. Once the design has been approved, the project team will present the design solution and begin the easement acquisition phase. Staff will connect with property owners individually if an easement is needed.
