

Lilly Mill

storm drainage improvement project

your storm water fees at work

Dear Resident:

Charlotte-Mecklenburg Storm Water Services continues to work on the Lilly Mill Storm Drainage Improvement Project. City staff and Dewberry Engineers have been coordinating with the various utility departments to resolve the utility conflicts in the project area. Preliminary design plans have been prepared by the consultant and City Staff is reviewing those documents. We plan to hold a public meeting in the upcoming months to kick off the real estate phase. We will discuss the designed improvements and initiate easement acquisitions.

For more information about this project, please visit our website at <http://stormwater.charmeck.org> and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Lilly Mill**.

If you have any questions, please contact Project Manager Jackie Bray at jbray@charlottenc.gov or 704-336-6770 or Project Coordinator Harold Smith at hsmith@charlottenc.gov or 704-432-5532.

**Water Pollution...
Be part of the solution!**

The Water Watchers app makes it easier than ever for citizens to report pollution on the go

For more information visit StormWater.CharMeck.org

The advertisement features a smartphone displaying the "Water Watchers" app interface. The app screen shows the Charlotte-Mecklenburg Storm Water Services logo and several menu options: "Report Water Pollution", "Submit Stream Clean-up Report", "Submit Monitoring Report", "Facebook", and "Weather". The background of the ad is a collage of images related to water pollution, including a close-up of a pipe, a polluted stream, and a person's face.
