## Storm Drainage Improvement Project

### Construction Highlights

## Project Status

March 2020

Charlotte-Mecklenburg Storm Water Services and Blythe Construction continue with the construction phase. Work is anticipated to be completed by March 2021.

#### Construction updates

- Installing plantings in several areas
- Upgrading several sanitary sewer crossings during the next few weeks
- Replacing some sanitary sewer lines and Duke Energy utility poles along Park Road
- Installing box culverts on Park Road in the summer. Lane closures will be necessary and motorists should expect delays.
