

Lyon Court

storm drainage improvement project

your storm water fees at work

Dear Resident:

Charlotte-Mecklenburg Storm Water Services and engineering consultant, US Infrastructure of Carolina, Inc., (USI) continue to work through the real estate phase and to refine the construction plans.

Project updates include:

- Charlotte Real Estate staff and their consultant, Telics, continue to work with property owners to acquire the easements needed to construct the selected improvements.
- USI continues to work with utility providers to

resolve potential conflicts and work towards final construction plans.

For more information, please visit our website: stormwater.charmeck.org. Click on the **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Lyon Court**.

If you have any questions, please contact Project Manager William Harris at 704-353-1147 or wtharris@charlottenc.gov.

August 2014

HURRICANE SEASON

JUNE 1 - NOVEMBER 30, 2014

STORMY
WEATHER
AHEAD

2014 forecast:

- 11 named tropical storms
- 3 hurricanes

75% of Charlotte's flooding happens during the months of hurricane season.

Whether it's heavy rain from a named storm or an unexpected cloudburst, Charlotte's flood chances increase dramatically in the summer.
