## Storm Drainage Improvement Project

**PROJECT STATUS**  
JULY 2022  
Construction continues.

## PROJECT STATUS | JULY 2022

Charlotte-Mecklenburg Storm Water Services and Sealand Contractors Corp. continue with construction. Thank you for your continued patience.

### *Construction updates*

- Major construction is anticipated to be complete in September.
- Hamorton Place, Kensington Drive and Tippah Avenue milling and paving are underway.
- Chestnut Avenue and Thurmond Place storm drainage improvements continue. Once complete, concrete replacement of some driveways, curb and sidewalk will begin followed by milling and paving.
- Reseeding is planned for the fall to ensure full and permanent ground cover.
- To ensure the safety of motorists, pedestrians and crew, please follow all signs.
