

McAlpine Farm

Storm Drainage
Improvement Project

PROJECT STATUS
MAY 2022
Planning continues.

PROJECT STATUS | MAY 2022

Charlotte-Mecklenburg Storm Water Services and engineering consultant The Isaacs Group continue to study the existing storm drainage system in the McAlpine Farm project area. Once the study is complete, several alternative solutions will be developed. A public meeting will be held once the project team is ready to present a recommended solution to property owners.
