Subject: Meadowridge Storm Drainage Improvement Project

Dear Resident:

Charlotte-Mecklenburg Storm Water Services appreciates your cooperation and patience throughout the **Construction Phase** of the Meadowridge Storm Drainage Improvement Project. The project is nearing completion. Prior to final acceptance, we would like to know if you have any outstanding concerns or issues. A questionnaire is enclosed. Please take a few minutes to note any concerns or issues caused by construction that may need to be addressed, then drop this survey in the nearest mailbox by June 27, 2017. Postage is paid for your convenience.

If you prefer, we also have an online option of the survey. Please refer to the following link: <https://charlottenc.seamlessdocs.com/f/StormWaterServicesSurvey>

Thank you for your input and cooperation.

Sincerely,
