

December 2015

Charlotte-Mecklenburg Storm Water Services and Sealand Contractors Corporation continue with the construction phase.

Most of the channel work has been completed. Miller Pipeline has relocated the 2" gas line with Piedmont Natural Gas and the new

power poles for Duke Energy have been installed.

Sealand is working on the installation of the 54" reinforced concrete pipe behind the properties on Peterson Drive and Cama Street.

Peterson Drive Storm Drainage Improvement Project

Peterson Drive Storm Drainage Improvement Project

Contractor installs 48" concrete pipe between Heriot Avenue and East Cama Street.

Construction continues for the Peterson Drive Storm Drainage Improvement Project. Throughout construction, efforts will be made to minimize disruption to nearby property owners. A construction inspector will be on site daily to address any questions or concerns.
