

# Robinhood/Dooley

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

June 2012

Dear Resident,

Charlotte-Mecklenburg Storm Water Services continues to work on the Robinhood/Dooley Storm Drainage Improvement Project. Easement acquisition and the design plans have been finalized. The bid phase began earlier this month. During this phase, the project is advertised and a bid opening occurs. The lowest responsible bidder will receive the contract, pending City Council approval. Construction is anticipated to begin by the end of the year.

For more information, please visit our website at <http://stormwater.charmeck.org> and click on **Storm Water Projects** dropdown menu in the green bar, then **Active Projects** and **Robinhood/Dooley**.

Please note this project has transferred to Project Manager David Perry. If you have any questions, please contact him at [dperry@charlottenc.gov](mailto:dperry@charlottenc.gov) or 704-336-4202.

## Did you know?

- The top two pollutants in Charlotte creeks are sediment and bacteria.
- The best way to control erosion is to plant something. Nothing holds soil in place better than plant roots.
- Soil testing in North Carolina is free. Take the guesswork out of fertilizer and lime purchases.
- Charlotte receives more rain than Seattle.
- Creeks start in Charlotte and flow downstream out of the County.
