

Water Oak

storm drainage improvement project

your storm water fees at work

August 2014

Dear Resident:

Charlotte-Mecklenburg Storm Water Services and Mulkey Engineers & Consultants continue to work on the design phase for the Water Oak Storm Drainage Improvement Project.

Mulkey is working on the preliminary design improvements which will be submitted for review in the fall. Once City staff reviews the preliminary design plans, a public meeting will be held to discuss the proposed improvements.

For more information, please visit our website: stormwater.charmeck.org. Click on the **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Water Oak**.

If you have any questions, please contact Project Manager Adrian Cardenas at 704-336-4682 or acardenas@charlottenc.gov.

HURRICANE SEASON JUNE 1 - NOVEMBER 30, 2014

2014 forecast:

- 11 named tropical storms
- 3 hurricanes

75% of Charlotte's flooding happens during the months of hurricane season. Whether it's heavy rain from a named storm or an unexpected cloudburst, Charlotte's flood chances increase dramatically in the summer.
