STORM DRAINAGE IMPROVEMENT PROJECT

Box culvert installation at Braewick Place.

June 2015

Construction is underway for the Wiseman Storm Drainage Improvement Project. Work has started on the creek off of Braewick Place. The contractor is finished with the aerial sanitary sewer crossing and has begun to hammer rock. Once the rock is removed and the concrete footing placed, utilities will be moved before culvert work begins.

The contractor is installing foundation stabilization for houses near the construction.

For more information about this project, please visit our website to view project updates: [stormwater.charmeck.org](http://stormwater.charmeck.org).

If you have any questions, please contact one of the project team members:

**On-site Construction Inspector: Project Manager:**

Donna Bost: 704-400-1987

John Keene: 704-432-5216

Email: [dbost@charlottenc.gov](mailto:dbost@charlottenc.gov)

Email: [jkeene@charlottenc.gov](mailto:jkeene@charlottenc.gov)

**Construction Supervisor:**

Gary Stansbury: 704-336-2667

E-mail: [gstansbury@charlottenc.gov](mailto:gstansbury@charlottenc.gov)

*A construction inspector will be on site daily to address any questions or concerns. Please note efforts are taken to minimize disruptions.*
