

NO WAKE ZONE Application

Mountain Island Lake in Mecklenburg County

General information regarding No Wake Zones on Mountain Island Lake in Mecklenburg County.

Completion and submittal of Sections 1, 2 and 3 of this application will initiate Mecklenburg County's process for consideration of a proposed No Wake Zone on Mountain Island Lake in Mecklenburg County. Following receipt, Mecklenburg County staff will complete Sections 4 through 7 and submit to the Mecklenburg County Board of Commissioners (Board) for consideration. If approved by the Board, Mecklenburg County staff will request consideration of the proposal by the N.C. Wildlife Resources Commission (Commission). North Carolina General Statute §75A-15 authorizes the Commission to establish No Wake Zones at public vessel launching ramps, marinas, or vessel service areas and on other congested water areas where there are demonstrated water safety hazards. If approved by the Commission, Mecklenburg County will install and maintain all buoys and/or signage denoting the No Wake Zone. The entire process beginning with the submittal of this application may take between one (1) and two (2) years. You will be informed at each step in this approval process.
