**Bicycle Advisory Committee Resolution of Thanks and Recognition in
Celebration of Vivian Coleman**

The Bicycle Advisory Committee (BAC) is a citizen board appointed by the Mayor, City Council, and the Mecklenburg County Board of Commissioners to make recommendations to those bodies on plans, policies, and issues related to promoting safe bicycle ridership.

The BAC would like to officially recognize Vivian Coleman and her significant contributions to active transportation in Charlotte on the occasion of her retirement.

During her 18-year career at the City of Charlotte, Vivian has made tremendous contributions that have improved safety and accessibility for pedestrians and cyclists in Charlotte. Vivian managed key capital programs including the Pedestrian Program and the Center City Transportation Program, ultimately advancing to lead the City's Transportation Planning Program. Vivian led many significant active transportation projects, including the Cross Charlotte Trail and the Uptown Connects Study, and she has been a key contributor to the development and implementation of the Charlotte BIKES and Charlotte WALKS plans.

Vivian's work will continue to positively impact cycling in Charlotte for years to come. She has been a true public servant and champion for advancing equitable transportation infrastructure that serves pedestrians and cyclists of all ages and abilities. Therefore, the Bicycle Advisory Committee has unanimously adopted this letter of thanks and recognition in celebration of Vivian Coleman.

Caitlin Tobin, Chair
