

Bid Schedule 1C, Sta. 260+35 to 321+75
Table with columns: Item, Description, Quantity, Unit, Price, Extended Cost. Includes rows for Gravity Sanitary Sewer Pipe, Rock Excavation, Sanitary Sewer Manholes, Vents, Creek Undercrossings, Temporary Diversion Ditch, and various manhole structures. Totals are provided at the bottom of the table.

The bid of SJ Louis Construction, Inc. has been determined to be nonresponsive due to improper General Contractors licensing according to NC General Statute 87-10 and was not considered.
The bid of Gary's Grading & Pipeline Co., Inc. was determined to be nonresponsive because the wrong bid schedule was used and was not considered.
Cells highlighted in yellow indicate where math errors, etc. were identified and corrected including affected subtotals and totals.

I hereby certify that the above tabulation is a correct tabulation of the bids received on June 1, 2009
