Fiscal Year 2014

STATE OF THE CITY

Job Growth
• Charlotte's job growth outpaced national job growth rates in FY2014. According to the Charlotte Chamber of Commerce, professional and business service firms added over 9,000 jobs while the logistics sector added more than 2,000 jobs.
• With a healthy business environment, Charlotte's unemployment rate decreased to 5.9% in July 2014 – a 1.4% improvement over July 2013 numbers.

Competitive Tax Rates
• Charlotte continues to offer high quality services at a low cost. Charlotte's property tax rate is the second lowest among the five largest North Carolina cities, and its water and sewer rates are significantly lower than the state average.

AAA Bond Rating
• The City maintained its AAA bond rating for general obligation debt for the 41st consecutive year.

Transportation Growth and Enhancement
• The 200 acre Charlotte Regional Intermodal Facility opened at Charlotte Douglas International Airport (CLT). The project is expected to result in $7.6 billion in regional economic development and 7,000 jobs over the next two decades.
• CLT continued to provide the lowest service costs among large airports in the U.S. CLT’s average enplanement cost per passenger in FY2014 was $1.33.
• City LYNX Gold Line rail installation began in December of 2013. The first phase of the project will provide a 1.5-mile route from the Charlotte Transit Center on Trade Street to Novant Hospital on Hawthorne Lane.
• LYNX Blue Line Extension light rail project broke ground on July 18, 2013, and three major construction projects were approved totaling $314.4 million.

Increasing Property Values
• Charlotte home values continue to rebound from the recession. The Case-Shiller U.S. National Home Price Index indicated that Charlotte’s home prices increased 3.6% over 2013 levels.
• As of May 2014, the greater Charlotte region’s foreclosure rate fell to 1.23%, down from 2.57% in 2013.

Reduced Crime Rate
• The Charlotte-Mecklenburg Police Department experienced a 3.2% decrease in Uniform Crime Reporting Index Offenses compared to the prior year.
• Property crime decreased by 2.7%, while the number of violent offenses decreased by 6.5%

Environmental Stewardship
• The City of Charlotte completed its first Citywide Internal Environmental Operations Plan summarizing environmental accomplishments through calendar year 2013 and setting over 40 goals for the next three calendar years. The goals fall under thirteen different initiatives including fleet, water and energy management, and procurement.
• Charlotte now has six green-certified facilities (the City’s sixth green-certified facility, the Eastway Division Police Station, opened on June 5, 2014), and has more than 100 alternative fuel vehicles in its fleet. Information on how the City is leading by example is available at Power2Charlotte.com.
Comprehensive citizen service is a top priority for the City of Charlotte. The City is committed to using performance measures to manage and address community needs. In FY2014, 86% of departments’ performance targets were achieved. Performance measures are organized according to City Council’s five Focus Areas:

**Community Safety**
Charlotte will be one of America’s safest communities.

**Housing and Neighborhood Development**
Charlotte will create and sustain communities of choice for living, working, and recreation.

**Transportation**
Charlotte will be the premier city in the country for integrating land use and transportation choices.

**Economic Development**
Charlotte will be the most prosperous and livable city for all citizens through quality economic development.

**Environment**
Charlotte will become a national leader in environmental and energy sustainability, preserving our natural resources while balancing growth with sound fiscal policy.

For additional information, contact the City of Charlotte Budget & Evaluation Office.
