

Request:

Homicide Statistics request from John Powell

Response:

On Wednesday, July 12, 2017 at 1801 hours Kristin Vick, Criminal Intelligence & Analysis received a voice mail message from City Council Candidate John Powell asked the question, "Please confirm the number of homicides for Charlotte."

The response would be 49 homicides to date. If there is no objection, I will call Mr. Powell to provide him this information and also pass on the question and response to Corporate Communications.

Thanks. Paul
