14:01:37 From Nancy Carter : Bus could help older citizens, too....

14:02:29 From Bernice Mar : Based on our small group conversations, priorities include: 1) Outer East & Middle East area - provide more essential amenities and multi-dwelling housing & mixed-use options. 2) Outer & Middle East area - Reliable transportation (that shorten travel time) is key to improve reliable access to existing grocery stores, jobs. Displacement could be minimized by supporting immigrant small business via small business hubs (education, business promotion).
