A Day to Make a Difference for Furry Friends

CHARLOTTE, NC – Tuesday, January 23, 2024, on January 24, pet lovers worldwide are invited to join the celebration of Change a Pet's Life Day—an annual event created in 2009 to raise awareness about animal welfare and promote pet adoption from shelters or rescue organizations. This special day serves as a reminder for pet owners to provide their beloved companions with the love, care, and attention they deserve, fostering a world where every pet can experience a better life.

How to Celebrate Change a Pet's Life Day:

Adopt a Pet:

Visit Animal Care & Control to give a homeless pet a forever home.

Consider opening your heart to a furry friend and make a positive impact on their life.

Foster:

Countless dogs and cats are in need of foster homes. Welcoming a foster pet into your home is not only a game-changer for that individual pet but also creates valuable space in our kennels for other pets entering the shelter. Your compassion can make a significant impact on the lives of these animals.

Volunteer at Animal Care & Control:

If adoption is not possible, contribute your time by volunteering at an animal shelter. Help walk dogs, socialize with cats, and assist with various tasks to make a meaningful difference. [Join the ACC volunteer team today.](#)
