Mr. Gray Rankin and Dr. W. W. Councilman Wilkinson, seconded by Councilman Hudson, moved that the request be granted subject to the approval of the City Manager and the Inspection Department. Motion unanimously carried.

COMMITTEE TO BE APPOINTED TO SECURE FOOTBALL GAMES FOR CHARLOTTE'S MUNICIPAL STADIUM.

Councilman Baxter brought before the Council the question of Charlotte making an effort to secure more football games for the Municipal Stadium, pointing out that Greensboro has thirteen games scheduled to be played there this year while Charlotte has only one, and he suggested that the Mayor appoint a committee of about ten men, representing the alumni associations of the various colleges to meet with the Charlotte Park and Recreation Commission and the City Council in an effort to bring additional games to Charlotte.

Councilman Sides stated that he felt that the different associations should select their own men or suggest to the Mayor the men to be appointed, which suggestion was agreeable to Councilman Baxter.

Councilman Baxter, seconded by Councilman Wilkinson thereupon moved that the Mayor appoint a committee of ten local men from the

REQUEST OF PARK AND RECREATION COMMISSION FOR ADVANCE OF \$1800.00 ON UNCOLLECTED TAXES.

Mr. Marshall advised that he had received a request from the Charlotte Park and Recreation Commission for an advance or loan of \$1800.00 on a note which they would sign, secured by uncollected back taxes due them. Mr. Marshall also stated that the Park & Recreation Commission in making up their budget did not assume any revenue from back taxes. He presented a statement of unencumbered taxes receivable of the Park and Recreation Fund, as prepared by the Municipal Accountant, showing unencumbered balance of Taxes Receivable estimated collectable of \$3,147.24.

On motion of Councilman Baxter, seconded by Councilman Wilkinson and unanimously carried, this request for loan or advance of \$1800.00 was granted.

COMPROMISE OF SUIT OF IDA CALDWELL.

Mr. Marshall presented a letter received from the City Attorney in which he advised that the City of Charlotte compromise the suit of Ida Caldwell, for alleged injuries by stepping into a defective place in the walk at the City Hall, for the sum of \$235.00; this letter stating that plaintiff was actually injured, that there is no faked evidence in the case and that he believed it to the advantage of the City to settle this case for this amount.

Thereupon Councilman Wilkinson, seconded by Councilman Griswold, moved that the case be settled as recommended by the City Attorney.

Councilman Sides opposed this settlement, stating that the City would be setting a precedent by compromising since all other personal injury cases had been fought out in the courts, and maintained that if there was a hole large enough for a person to be injured then someone should be held responsible.

A vote was taken on the above motion, which was carried, Councilman Sides voting "No".

RESOLUTION UPON THE DEATH OF MR. OLIN A. CRENSHAW, EMPLOYEE OF CITY OF CHARLOTTE.

The following Resolution was offered by Councilman Hudson, who moved its adoption, which was seconded by Councilman Baxter and unanimously carried:

NOW, THEREFORE, BE IT RESOLVED: First, that we, as members of the City Council of Charlotte, bow in humble submission to His will, knowing that He is too kind to willingly afflict without cause.

AN ORDINANCE RELATIVE TO RESTRICTIONS IN TERRITORY IN DILWORTH.

Councilman Baxter stated that a permit has been requested to erect a laundry on Morehead Street, which is a residential street and that it appears that the City of Charlotte will have to look ahead in order to prevent the establishing of manufacturing plants in such residential sections.

He offered the following Ordinance which he suggested be adopted on first reading only, and moved its adoption on first reading, which was seconded by Councilman Huntley:

AN ORDINANCE

BE IT ORDAINED by the City Council of the City of Charlotte:

Section 1. That it shall be unlawful to erect or operate or maintain within the territory hereinafter described any manufacturing plant where machinery is used, or any laundry, or any cleaning establishment, or any dyeing establishment.

Section 3. That any person or corporation violating this ordinance, or any part thereof, shall be fined twenty-five (\$25.00) dollars; and each day or part thereof such violation shall continue shall constitute a separate offense.

Section 4. All ordinances, and parts of ordinances, in conflict herewith are hereby repealed.

Section 5. The invalidity of any part of this ordinance shall not affect the remainder thereof.

Councilman Sides opposed the adoption of this ordinance, inasmuch as it was confined to a certain district, stating he would be glad to vote for an ordinance which would zone the entire city.

The following vote was recorded on the motion to adopt on first reading:

For: Councilmen Baxter, Hovis, Griswold, Nance, Huntley and Wilkinson.

Against: Councilmen Durham, Hudson and Sides.

The Mayor Pro Tem declared the ordinance adopted on first reading on a vote of 6 to 3.
