

STRATEGIC PROGRESS TRACKER

Introduction

How often will this document be updated?

Each measure will be updated once per year. The tracker will be updated every six months (once in the summer and once in the winter). This is to ensure relatively frequent updates based on the timeframe of the measure (e.g., calendar vs fiscal year).

INTRO 1

What is the Strategic Progress Tracker?

The Strategic Progress Tracker monitors headway on objectives within City Council's policy goals, as outlined in their strategic vision.

This tool tracks Council-adopted objectives from the following policy plans:

- ▶ Housing Charlotte Framework - Adopted August 2018
- ▶ Strategic Energy Action Plan - Adopted December 2018
- ▶ Charlotte Future 2040 Comprehensive Plan - Adopted June 2021
- ▶ Strategic Mobility Plan - Adopted June 2022
- ▶ Equity in Governance Framework - Adopted October 2022
- ▶ Charlotte Business INclusion Policy - Updated April 2023

INTRO 2

The July 2024 edition of the Strategic Progress Tracker includes 31 measures that span the six Council-adopted plans listed above. Measures are organized under Council's Strategic Priorities:

- ▶ Great Neighborhoods
- ▶ Safe Communities
- ▶ Transportation & Planning
- ▶ Workforce & Business Development
- ▶ Well-Managed Government
Including Equity, Environment, and Engagment

*Select measures may change or be modified as City Council defines its strategic vision for the city.
