**Re:** Rejection of Bids for Cell Phone Lot Auxiliary Lane Project

---

Pursuant to Invitation to Bid (ITB) AVIA 24-18, Section 9, Subsection 9.4 – CLT’s Rights and Options, the Aviation Department of the City of Charlotte (CLT) desires to exercise the right to reject all Bids submitted on March 11, 2024, in response to this ITB, and respectfully requests your approval of this action.

Aviation received two (2) bids in response to the ITB, both of which came in over budget. Rather than rebid, CLT believes that it is now in the City’s best interest to reject all bids and add the project’s scope of work to another construction project. If the City Manager concurs, the subsequent project with the expanded scope of work will be advertised sometime this Summer.

Please indicate your approval of this action by your signature below.
