

# Lorna/ Laburnum

Storm Drainage  
Improvement Project

**PROJECT STATUS**  
AUGUST 2024  
Planning continues.

## PROJECT STATUS | AUGUST 2024

Charlotte-Mecklenburg Storm Water Services and engineering consultant The Isaacs Group have completed the study of the existing storm drainage system in the Lorna/Laburnum project area. Alternative solutions are now being developed.

A public meeting will be held once the project team is ready to present a recommended solution to property owners.
