## Storm Drainage Improvement Project

**PROJECT STATUS**  
OCTOBER 2024  
Planning continues.

## PROJECT STATUS | OCTOBER 2024

Charlotte-Mecklenburg Storm Water Services and engineering consultant Labella Associates, P.C. have completed the study of the existing storm drainage system in the Raleigh Street/Sugar Creek Road project area. Alternative solutions are now being developed.

A public meeting will be held once the project team is ready to present a recommended solution to property owners.
