

Water Oak

Storm Drainage Improvement Project

PROJECT STATUS
SEPTEMBER 2024
Construction continues.

PROJECT STATUS | SEPTEMBER 2024

Charlotte-Mecklenburg Storm Water Services and Sealand Contractors Corp. continue with construction. Work is anticipated to be complete mid-2025.

Project updates

- Storm drainage improvements are complete along Addison Drive, Stafford Circle, and Emory Lane. Asphalt resurfacing is anticipated to be complete in October.
- Storm drainage, water main, and sanitary sewer improvements have begun along N. Sharon Amity Road.
- Private utility relocations are anticipated to begin in October within easement areas throughout the project.
