

Westmere

Storm Drainage Improvement Project

Project Area

Study Area

PROJECT STATUS

JUNE 2024

Design phase.

PROJECT STATUS | JUNE 2024

Charlotte-Mecklenburg Storm Water Services and engineering consultant ESP Associates have determined proposed improvements and the design phase has started. The project team is developing detailed drawings for proposed improvements in the Westmere Avenue/McNinch Street area.

As the design phase continues, the project team will communicate directly with affected property owners.
