

ADOPT A CITY STREET

Thank you for your interest in the Adopt-A-City Street Program! you are joining other community groups, businesses, and individuals to help reduce litter in Charlotte, making a major contribution towards the city's overall appearance.

The purpose of the AACS program is to:

- Tangibly demonstrate civic pride in your community
- Serve as an impressive reminder to the public not to litter the roadways or ignore our environment
- Contribute to our overall economic development
- Contribute to a cleaner and healthier environment

Program Highlights

- Applicants are limited to one street adoption at a time for the first year
- Only city maintained streets can be adopted, to learn about state road adoption please visit [NCDOT.gov](https://www.ncdot.gov) for more info.
- A minimum of three (3) clean ups are required/year for a two year commitment
- Two (2) signs with the name of the organization/individual will be placed on the adopted street for no cost
- Safety vests, gloves, litter grabbers, and trash bags will also be provided for free on a lending basis
- Volunteers are asked to complete a clean-up report after each clean up
- Additional opportunities include storm drain marking and graffiti spotting
