

Water Oak

Storm Drainage Improvement Project

PROJECT STATUS
MARCH 2025
Construction continues.

PROJECT STATUS | MARCH 2025

Charlotte-Mecklenburg Storm Water Services and Sealand Contractors Corp. continue with construction. Work is anticipated to be complete mid-2025.

Project updates

- Asphalt resurfacing is complete on Addison Drive, Stafford Circle, and Emory Lane. Crews will finish landscaping in this area this spring.
- Storm drainage and sanitary sewer improvements continue along N. Sharon Amity Road.
- Storm drainage improvements along Water Oak and Walker Roads are scheduled to begin this summer.
