Installation & Development Service
700 North Tryon Street
Charlotte, NC 28202

Reference: Engineer's Certification – PROJECT NAME
CLTWater Private Permit No.: NUMBER
CLTWater Flow Tracking No.: NUMBER

Dear Mr./Ms. ENGINEER LAST NAME:

I, YOUR NAME, as a duly registered Professional Engineer in the State of North Carolina, hereby state to the best of my knowledge, belief, and understanding, that the water distribution system for the above referenced project was substantially completed in accordance with the approved plans and specifications. This assessment is based upon limited site visits by our office, final hydrostatic pressure testing, and receipt of final chlorination results following testing of installed facilities.

Enclosed, please find a copy of the signed Applicant's Certification.

Sincerely,
COMPANY NAME
