Envision My Ride is a planning initiative to redesign the current bus system. Through this initiative, CATS is taking a comprehensive look at bus route structure and frequency to determine how to improve the system and better serve the Charlotte region.

The site is located near CATS local bus route #60 along Tyvola Road where it currently serves the Veterans Hospital across the street. CATS intends to extend service to Perimeter Pointe Parkway and requests the developer to construct an ADA compliant bus waiting pad per Land Development Standard #60.01A. CATS will coordinate with CDOT regarding bus stop ridership to consider pedestrian refuge at Tyvola Rd and Cascade pointe Blvd. The final location of the pad will be coordinated with the developer through the permitting process.
