Plan Consistency

The petition is **consistent** with the intent of the *Plaza Central Pedscape Plan*.

Rationale for Recommendation

- The subject property is located in the Plaza Central Business District and was part of the right-of-way for Independence Boulevard. The unzoned property was unneeded ROW that has been incorporated into the overall property and did not have zoning established on it.
- The *Plaza Central Pedscape Plan* recommends retail mixed use for the properties adjacent to this petition.

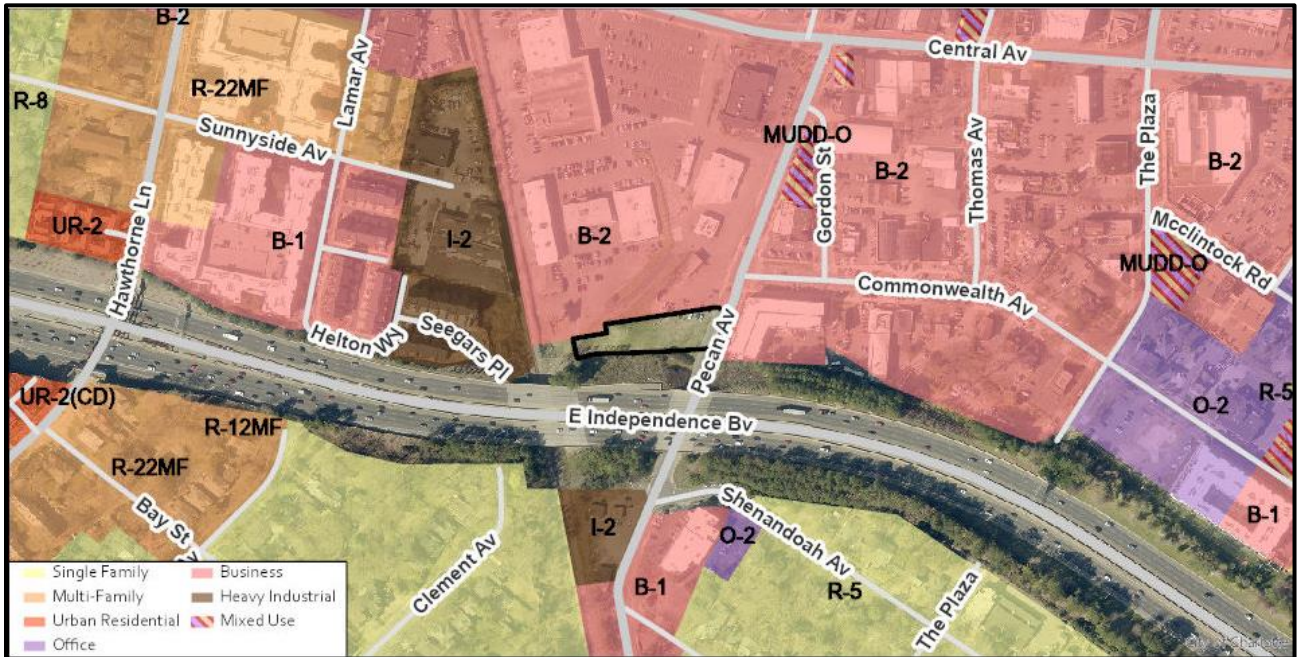

- Properties adjacent to this site are located within the Village Retail Area as identified in the *Plaza Central Pedscape Plan*.

PLANNING STAFF REVIEW

- **Proposed Request Details**

This is a conventional rezoning petition with no associated site plan. The request proposes to allow all uses in the B-2 PED zoning district. The parcel is on the northwest corner of Pecan Avenue and Independence Boulevard.

- **Existing Zoning and Land Use**

- The site is currently unzoned, with a portion vacant and the remaining used for parking cars. The site is surrounded by residential, commercial, and industrial uses in various zoning districts.

The site abuts Pecan Avenue and Independence Boulevard, is partially vacant with the remainder used as an area for parking vehicles.

The site is adjacent to commercial and residential uses to the north along Pecan Avenue.

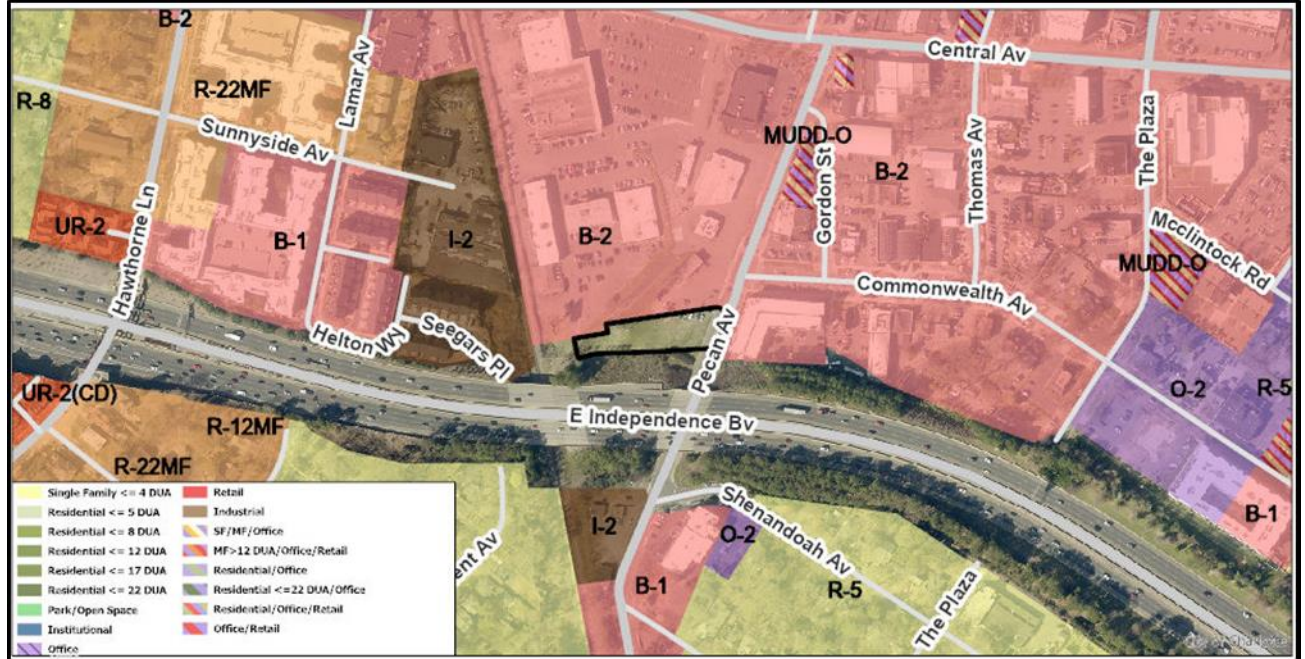

West are commercial uses and residential developments
